

LUBREEZOL IMMENSE POWER API SN 5W30

GASOLINE ENGINE OIL

Lubreezol Immense Power API SN 5W30 is a paraffinic fluid designed for turbocharged, without turbocharging, and multi valve fuel injected vehicles, excellent combination of base oils and advanced additive technology reduces fuel consumption and ensures fast lubrication of the engine

Applications

The combination of base oils and the latest advanced additive Technology make its able to meet the service requirements of the API Engine Service Classification SN.

Features and benefits

Ensure Long Engine life.

Provide good lubrication for frequent stop-start conditions.

Offers superior wear protection,

Keep Piston and crank case clear

Parameters/Properties

Parameters/Properties	Unit	ASTM Method	Test Values
Viscosity @ 40 °C, cSt	mm ² /s	D 445	66.1
Viscosity @ 100 °C, cSt	mm ² /s	D 445	11.1
Viscosity Index	mm ² /s	D 2270	149
Flash Point , °C	°C	D 92	235
Fire Point, , °C	°C	D 92	260
TBN	MG KOH/g	D 2896	8.4
Pour Point , °C	°C	D 97	-18
CCS Viscosity@-30°C	mPa·s	D 5293	6800
